To whom it may concern

It gives me great pleasure to provide a letter of support for the Whitsunday Conservation Council's Heart of the Reef Discovery Centre.

As a Reef Guardian School, we pride ourselves on instilling a strong sense of Reef conservation within our students. We cultivate the message of being considerate and responsible in our behaviour to safeguard the Great Barrier Reef both now and for future generations to come. This outstanding facility will provide an interactive, immersive and entertaining opportunity to enlighten locals and tourists regarding the wonders of the Reef and further promote the valuable message that this is a national treasure that deserves every effort to protect it.

I wholeheartedly support the concept the Heart of the Reef Discovery Centre and know it will be a valuable asset to the Whitsunday region.

Yours sincerely

Angie Kelly  
Principal
